

Purchasing a Chromebook

There are a number of options.

Buying without insurance

This excludes insurance and is purchased with a one-off payment through ParentMail. The window for ordering is the same as for the leasing option. Window for ordering opens 5th July 2021. To buy a device please login to your ParentMail account after 5th July 2021.

A Lenovo 300e costs **£280**

Please note that all models are educational versions that cannot be bought elsewhere. They are more rugged than those available online. All prices include configuration and a Chromebook license that allows us to manage the devices and push applications out to them. All Chromebooks without insurance come with a **3-year extended warranty** from 2021 onwards.

Leasing or buying outright

This includes insurance and is purchased through the FreedomTech portal.

Pupil Premium Students

Parents of pupil premium students will be offered a device at no cost. If you think that your child qualifies for pupil premium money and we do not know, please contact agallienne@shfgs.co.uk. We also have a welfare fund available for students who are not eligible for PP funding but who may need assistance in paying for a device.

Eligibility:

- *Children who have qualified for free school meals at any point in the past six years.*
- *Children who have been looked after under local authority care for more than one day.*
- *Children in year groups Reception to Year 11 recorded as a service child or in receipt of a child pension from the Ministry of Defence*

Sourcing your own device

Parents are welcome to source their own Chromebook. Please be aware we do not allow other forms of devices such as laptops or iPads in school in years 7-11.

We will need to add the chromebook license and the cost of that will be £25 which will be charged through a one off payment on Parentmail.

You will need to make arrangements to come into school so that our IT team can set up your device. This will need to be done in August so that your device is ready for September. Please complete the google form using the link provided below in order to book your slot with the IT department in August.
