Dear Parent/Carer

## **INFORMATION FOR YEAR 11**

### **Year 11 Lunchtime Privileges**

When our students are in Year 11, we give them permission to leave the premises during lunchtimes, on the understanding that they must wear full school uniform and that they return promptly, ready for afternoon lessons. This privilege does **not** extend to break, when students must stay on site.

We hope to reinstate this privilege from September 2021, however this may be subject to change due to Covid procedures. We will, of course, inform parents/carers of any changes to these arrangements.

Please note that this privilege will be immediately withdrawn, should the students fail to complete adequate work in any subject, fail to meet deadlines, fail to sign in and out correctly, or behave inappropriately in school or whilst out at lunchtime.

**Please complete the Google Form below to provide permission for your child:**

Thank you for your support.

Yours sincerely
