Dear Parent/Carer,

I hope you're well. I'm writing with a few E-Safety bits, which I do hope you find useful.

Attached is a guide to Ebay, from National Online Safety, which outlines the key information that parents should be aware of.

Hazard Alley, on behalf of Parentzone, are running a free online Digital Families Quiz, aimed at helping families enjoy a more positive digital life. The quiz is aimed at parents - or anyone with parenting responsibility - and secondary age children. As well as testing tech knowledge, it encourages families to share experiences, build communication and close the digital gap between young people and their parents.

The session on Monday 25th January at 7pm, it lasts approximately 1 hour and is split into three rounds of questions; all you need is a connected device and a pen/paper. If anyone is interested please email katherine@safetycentre.co.uk, and she will share a password protected zoom link for the session.

I've also attached the poster which Buckinghamshire County Council have sent out to schools.

Take care and stay safe

Kind regards,

Kate Massey
