

Transition Material – Fine Art

This is what I would like you to do over the summer holiday:

1. Buy an A5 sketchbook. (It does not need to be expensive. It will only be used for this task).
2. Take a look at the following sketchbook pages:

3. I would like you to document your summer holiday in your A5 sketchbook in a visual manner. You could use the images above on Pinterest to inspire you. Experiment with materials and take risks. This will not be assessed! You might draw the most mundane things.
4. Try to produce a minimum of one page for each week of your holiday. You are welcome to do more if you wish.
5. I would also like you to go on a gallery visit of your choice. Try to document your visit within your sketchbook.
6. Start to think about what topic you would like your coursework to be based upon. You need not put anything down on paper. I just want you to start forming ideas in your head.
