

Trip Information Grid

The information below provides a summary of the main trips and visits that are undertaken during the academic year.

Please note the following:

Curriculum: shown in red, these need to be attended as a part of the subject covered.

Curriculum Linked: shown in black, these are optional.

Non curricular: shown in blue, these generally take place during the school holiday periods.

Please note the prices quoted are approximate and may be subject to change.

Instalment payment plans are available for trips over £100

Most trips and visits will only take place when there are enough students that have committed to attend.
